

TCI Names Jennifer Jones As Regional Sales Executive
Industry Veteran Will Contribute to the Company's Aggressive Growth Strategy

Islandia, NY, February 1, 2016 – Teledata Communications Inc. (TCI) (www.tcicredit.com), a provider of cloud-based loan origination solutions, announced that Jennifer Jones has joined the company as regional sales executive. Ms. Jones is based in Green Bay, Wisconsin, and will oversee the company's business development and sales efforts in the Central and Western regions of the United States.

Jones brings nearly 20 years of banking software sales expertise to TCI. Prior to joining TCI, she held senior sales positions with several high profile financial technology providers, including Jack Henry, Finestra, Fiserv, and Wolters Kluwer. Her experience includes business development and account management activities for loan origination, internet banking, software, core banking, and payments solutions.

According to Bill Nass, TCI's president, Jones' proven skills and industry contacts will play an integral role in TCI's growth strategy.

"Ever since we introduced our DecisionLender 4 platform nearly two years ago, we've seen a sharp increase in our customer base among community banks, credit unions and finance companies that are looking to introduce more robust and flexible lending programs," Nass explained. "The addition of Jennifer to our sales team gives us the bandwidth and expertise to accelerate our growth strategy, and ensure that we meet the evolving lending needs of financial institutions across the country. We're delighted that she is now a part of the TCI family, and look forward to her success in bringing TCI's value propositions and solutions to the marketplace."
