Live from LendIt: TCI Invited to Showcase DecisionLender 4 Platform at Demo Theatre

Cloud-based Loan Origination Solution Provides Comprehensive Features That Streamline Online Direct and Indirect Lending Processes

Islandia, NY, February 27, 2017 –Teledata Communications, Inc. (TCI) (www.tccredit.com), a provider of turnkey loan origination solutions for credit unions, banks and finance companies, announced that it has been selected to deliver a live demonstration of its DecisionLender 4 online loan origination solution during the LendIt Conference, taking place March 6 and 7 at the Jacob Javits Convention Center in New York. The demonstration is scheduled for March 7 at 2:45 pm at the LendIt Company Demo Theatre. In addition, TCI will exhibit DecisionLender 4 at booth #468 throughout the exhibition.

DecisionLender 4 is a single platform that facilitates all forms of online consumer loan origination—including direct and indirect. The platform offers a variety of features and functions that are designed to help lenders expedite loan applications, reduce risk, address compliance mandates, and improve workflows. DecisionLender 4 offers powerful analytic tools, including a feature that enables lenders to refine scoring and decision parameters to improve existing lending programs or test the

viability of new ones. Lenders can also track policy exceptions, monitor reporting, and quickly adjust lending rules and workflows to maximize market opportunities—all without using IT resources.

“Online lending continues its explosive growth, with both emerging and traditional brick-and-mortar institutions looking to build market share in a highly competitive, fast-paced environment,” noted Bill Nass president of TCI. “DecisionLender 4 is perfectly suited to address the complex loan origination requirements of lending institutions. Its flexibility and configurability enable lenders to provide faster and more reliable decisioning and processing to satisfy consumer demand. In addition, its powerful risk management and reporting capabilities enable lenders to better manage risk and meet compliance mandates. We’re looking forward to demonstrating DecisionLender 4 at LendIt, and prove why it is the perfect platform for consumer loan origination activities.”
