

## UTILIZE ROUTEONE INTEGRATION AND TRUE CONFIGURABILITY WITH DECISIONLENDER 4

To gain or maintain a position as a top local lender for dealerships and car buyers, you need to be ready to outpace the competition. With DecisionLender 4 and its integration with lending portal RouteOne, it's never been easier to quickly automate offers and surpass expectations. Using DecisionLender 4 to unify your lending process, you immediately enjoy seamless integration with RouteOne, which means you can:

- Increase your lending options with RouteOne's leasing interface
- Get fast vehicle valuation through NADA, Kelley Blue Book and others
- Autobook out (booked out value)
- Gain flexible lending options through RouteOne's Payment Call, so you can give upfront approval for the amount without sending out other terms
- Integrate automatic eContracting to effortlessly manage contracts and easily share information with dealers
- Supports Deal Refresh

“
