

## DECISIONLENDER 4 WARRANTY PROGRAM PARTNERS PROTECT YOUR INSTITUTION, BORROWERS AND DEALERS

Smart auto lending is all about risk mitigation through insurance, valuation and interest rate. Combine a configurable, automated loan origination system with the powerful tools available for contracting, quoting and warranties and you're well on your way to auto lending success.

DecisionLender 4 integrates with numerous warranty service providers, ensuring you can automatically include insurance quotes with accepted loan requests. Offer the coverage your clients expect, including asset protection, mechanical breakdown protection and vehicle services contracts through a variety of institutions including:

- **Allied Solutions.** DecisionLender 4 supports Allied Solutions' programs for managing risk so your institution can focus on lending. This includes its iQQ web service, which allows lenders to quote and generate forms related to Guaranteed Asset Protection (GAP) and Mechanical Breakdown Protection (MBP).
- **Frost.** Offer accurate, qualified quotes and generate forms for Guaranteed Auto Protection (GAP) and Mechanical Breakdown Insurance (VSC / MBI) with Frost's VisualGAP® in DecisionLender's user interface.
- **AUL.** Expand your risk mitigation with a wide range of vehicle service contract options through AUL and DecisionLender 4.
