

DECISIONLENDER 4: OMNICHANNEL DIRECT LENDING PLATFORM

Designed for branch and online lending, DecisionLender 4's direct lending product is a fully configurable omnichannel lending platform. This module works for all direct loan types, including collateralized, secured and personal. With its real-time connection to your institution's core system, it's a cost-effective, efficient way to facilitate a frictionless customer experience for borrowers both online and in-branch. This product empowers you to:

- Streamline your branch lending workflow while integrating with a variety of third-party systems
- Instantly adjust page layouts, workflows, rules, and code changes without IT resources
- Modify programs, conditions, rules, and pricing based on emerging market opportunities
- Use auto-decisioning, cross-selling and counter-offers to increase borrower satisfaction and reduce wait times
- Streamline document workflow and improve accuracy with automated, pre-filled forms, documents and eSignature

“
A cost-effective, efficient loan origination platform with a real-time connection to your core system, facilitating a frictionless customer experience.”

“

Dominate your current market, enter new markets with ease, and adapt instantly to changes.

”

- Automatically generate loan packages
- Start loans, save progress and close loans from any location and on any device

Why you need it

Whether applying online or in-branch, borrowers can gain instant decisions and easy, auto-filled applications when you integrate DecisionLender 4 with your core system. The system’s single-sign-on feature, powerful rules engine, and automated approvals reduce application decisioning time, enabling your institution to give borrowers the fast “YES” they desire.

At a time when speed and accuracy matter more than ever, the DecisionLender 4 Direct Lending Module is a critical, strategic asset that will help expand your customer base and increase success in a dynamic, ultra-competitive marketplace.

Are you ready to offer your members and customers the speed and flexibility they’ve come to expect? Call TCI today!

Why TCI?

Founded in 1982, Teledata Communications, Inc (TCI) is the provider of DecisionLender 4, a complete consumer loan origination platform (LOS). DecisionLender 4 is completely configurable, hosted in the cloud, and supports branch, online lending, indirect auto and merchant lending, and deposit account opening. The robust decisioning engine is the most versatile on the market, enabling manual or automated workflows. With over 130+ different 3rd party integrations ranging from alternative data sources, to fraud protection, to esignature and more, DecisionLender 4 truly empowers you to do business YOUR WAY!
